We came back to school with a New Look to an old campus

In the beginning of each school year, changes are evident in fellow students. During vacation some gain weight, lose weight, change hair styles, tan, or grow taller. The changes are obvious and complimentary. But upon returning to classes students noticed a change somewhere other than in fellow classmates. The changes were on the campus.

A special package was approved last year and plans were approved to commence work on renovations during the summer. Renovations were made in the interior of the school as well as outside on the campus.

The most noticeable renovation took place in the bathrooms in the A and B wings. Students were impressed by the change and administrators noted how well students took care of the new facilities.

The breezeway and courtyard area was redone and student parking lot repaved. Administration offices were remodeled and carpeted.

On one occasion when Marshall students visited the campus, they complimented the new look. If they were impressed, Jay students should definitely feel proud and take good care of the school.

Registration

Registration made the reality of school hit a little too close to home for many students. Freshmen and juniors registered August 18 and sophomors and seniors registering August 19. After receiving their "cherished" class schedules students were issued their ID cards and could also obtain bus cards and parking permits.

Freshmen orientiton on august 23 gave ninth graders a chance to see where they would spend their next four years of school. The new students and their parents were given a tour of the campus with Student Council members serving as guides. Council members also presented a skit, "How a Freshman, Sophomore, Junior and Senior Acts." But no matter what they learned that night, they would soon find out hte truth, on their own, on August 29, their first day at John Jay High School.

We could always just

Take the bus

A long with all the troubles students faced throughout the year, transportation to and from school was a concern.

Many depended on Mom and Dad, while others carpooled with neighbors and friends. Car pooling was a fun way to start the morning but at times it did present problems. At the last minute a friend calls and reminds you of the doctor's appointment or suddenly decides he is sick and you have to find a ride to school with someone else. Whatever the reasons, carpooling was difficult.

Living outside the two mile radius, students were given the opportunity to ride the yellow school bus. The "yellow dogs" didn't offer the conveniences of a car, but without it many had no way to and from school. Other students relied on VIA buses for a ride to school.

If all else failed, students could always walk to school.

Yellow school buses line the faculty parking lot waiting for school to be dismissed.

Finding a friend with a car for a ride home is just the thing as two students head for their car in the student parking lot.

Girls' Varsity Coach Mike Floyd is amazed as the ball doesn't go in the basket during the Lady Mustang's only district loss to Marshall.

For third straight year

Girls in playoffs

For the second consecutive year, the girls varsity volleyball team was a contender in post-season play. The Lady Mustangs took a 16-4 season record and an 8-2 district mark to finish second in district and qualify for the play-offs.

Lady Mustangs went into the eason playing tough ball, knowing that their district was the toughest in the city. Every team was out to beat the defending district champs, and the Marshall Rams did just that. It was a disappointing loss for the Mustangs, after playing good and winning the first game of the match, 15-2. Marshall then came on strong and defeated the Mustangs 15-5, 15-13 to be the only undefeated team in the first round of district.

After losing to Marshall, the Lady Mustangs opened the second round determined to win the rests of their games. Going through Memorial two games to none, Kennedy two games to none, and Clark two games to none before facing the Marshall Rams. Lady Mustangs then gained revenge by defeating Marshall 15-5, 17-15 placing them tied for first in district action. Savoring their revenge too long the Mustangs were defeated by the Holmes Huskies knocking them out of a first place tie with Marshall.

The Lady Mustangs then went on to play Churchill in the bi district play-offs losing two out of three games.

Leading players for Jay were senior Ligia Almirudis, junio Clarissa Davis, and junior Alma Garza. Davis and Almirudis were selected for the all-district first team. Davis was also selected all-city first team, and Almirudis all-city second team. Garza was also chosen for all-district second team.

"I think that this year's season was very competitive and every game was a tough one," said senior Almirudis. "Our best and most exciting game was against the Marshall Rams," said junior Davis. "We never gave up knowing we had a job to do and we did it," she said.

Disappointing season

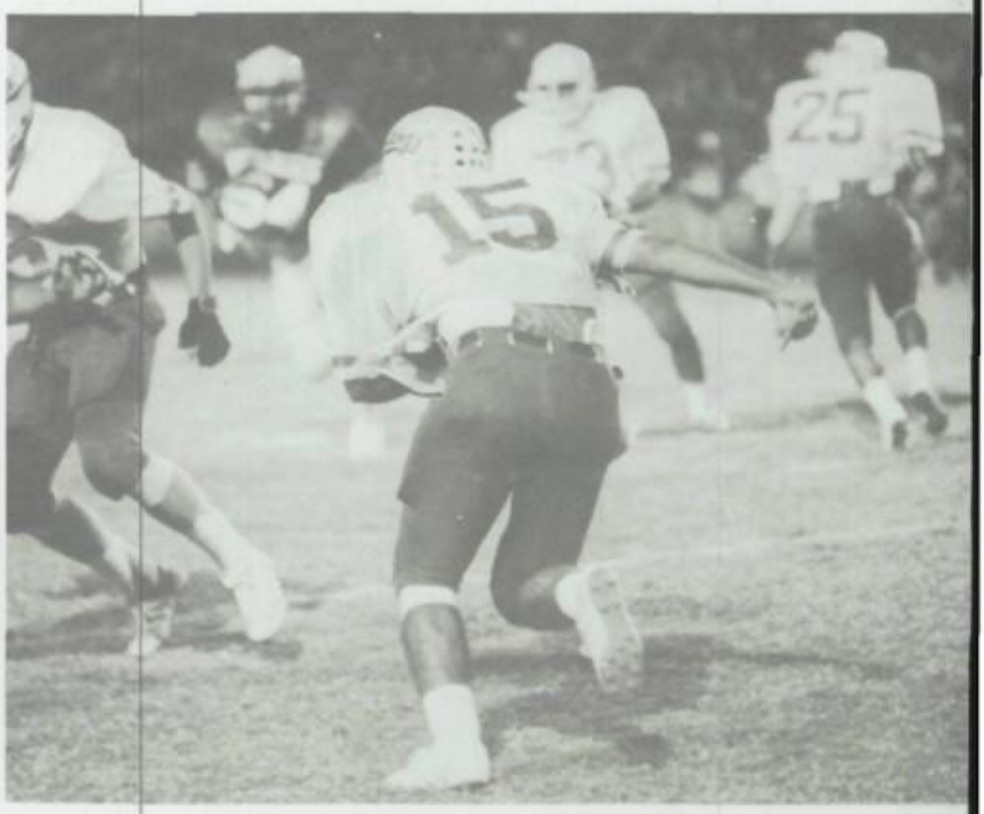
Varsity finishes 5-4-1

Hope glistened in the eyes of the Mustangs as they set up for an onside kick, with the Huskies on top 28-20 and two minutes left on the clock. A successful onside kick raised hopes of a Jay comeback, but as the fans soon found out after four unsuccessful tries for a first down, that was nearly impossible. The Huskies scored again to lock up the game leaving the score 35-20. This wasn't the first time this had happened to the young Mustangs.

It all started when the Mustangs lost a crucial 11-7 game against Marshall in the final seconds. "That game took a lot out of us." said junior Jerry Macias, "We took the lost too hard and really never quite recovered." he said. After this disappointing loss, the young Mustangs went down hill losing to Clark 31-15, Kennedy 60-56, and finally to Holmes 35-20. It was also the first time since 1973 that a Northside team lost to an Edgewood district team.

Senior Scott Ankrom was nominated for runningback and safety for the first team All-District and also for runningback for the first team All City and an honorable mention as quarterback. Other players who received honors were seniors Jeff DeJesus, second team All-District, wide receiver Ray Burton, second team All-District running back and Tom Knowles, second team All-District guard.

Along with a disappointing season came new changes. During off season athletes were through a drill called "boot camp." Anyone trying out for football or baseball had to go through conditioning until they reached a perfect day which meant going through drills with no mistakes. "Next year looks like a promising year for us." said junior Marvin Hunt, one of 22 returning lettermen.



Ripping through the Huskies defense, junior Jerry Macias, 15, finds open day light for a Mustang first down.

In state competition

Sayers places tenth

Three swimmers, senior Robert Sayers, freshman Eddie Hoff and sophomore Christina Robbins, led the Mustangs by qualifying for state in the 200 yd. individual medley, the 500 yd. freestyle, 100 yd. backstroke and the 200 yd. freestyle.

Expected to qualify for the state meet in Austin, Sayers placed tenth with a time of 57:77 in the 100 yd. backstroke.

Placing in regionals, Hoff qualified in the individual medley with a time of 1:58:96. In state competition, Hoff placed eighth with 1:59:10 for his time. He also placed tenth in the 500 yd. freestyle.

Swimming in the 200 yd. freestyle and the 100 yd. backstroke, Robbins qualified for state competition in the 200 yd. freestyle and placed tenth.

Other swimmers competing in Regionals were Susan Gray in the 200 yd. freestyle and 100 yd. butterfly, Karen Hoesen in the 100 yd. breaststroke, the 200 yd. medley consisting of Gray, Leslie Hanchey, Hoesen, and Robbins. Also in the 400 yd. freestyle relay was Shanon Head, Hoesen, Cheri Kisbee and Angel Marquise.

"We have a pretty strong team with strong swimmers," said Coach Glenn Forsyth. "I think I had a pretty good year," said freshman Eddie Hoff, "but I'm looking forward to next year."

Although the Water Polo team's season wasn't as outstanding as last year's season, the team ended with awards to some of their outstanding athletes. Winning the "Most Valuable Player" awards were Sayers and Robbins. In the "Most Improved" category, winners were Hoff and Marquis. The Spirit Award was presented to Brett Nobles and Susan Gray.

Third straight

Ladies win title

Despite the image of a new coach having an unsuccessful year, Coach Mike Floyd led the Lady Mustangs to their third consecutive district championship.

Adjusting to the new coach was easy for the Lady Mustangs knowing they had a ball team full of players with great potential and were looking forward to a commanding season.

Lady Mustangs went the first round undefeated, but faced a disappointing loss in the second round against Marshall 57-53. Coach Floyd was determined to pick-up the pieces and finish on top by defeating Clark 95-45, and ending their season as district champs.

Junior Clarissa Davis led the Lady Mustangs to a bi-district battle against the Lee Volunteers defeating them 55-45.

It was off to bigger and better things for the Lady Mustangs as they faced Austin LBJ in the area play-offs in San Marcos. With only four seconds on the clock and down by one, Davis went up to shoot and made it, but was called for a three second violation to end a promising season losing 44-43.

Leading scorer was Davis who averaged 28 points a game and was unanimously chosen for Most Valuable Player, All-District First Team, All-City First Team and All-State.

First year starter junior Vernita Griffen averaged 14 points a game. She made the All-District Second Team and All-City Honorable Mention. Junior Alma Garza also received All-District Second Team honors.

"I'm looking forward to a good and even better season next year," said Davis. "We should have gone all the way to state, but we will be back again next year," said Griffen.

Freshman second

Junior Varsity third

It was also a different experience for the Junior Varsity Girls Basketball team having to adjust to a new coach.

Coach George Ross, who once coached basketball at Jay in 1980, had alot of new ideas and hopes for his team. Although, things didn't turn out as expected, Coach Ross said he enjoyed coaching basketball again, and assisting Coach Floyd on the varsity squad. "Th team deserved alot of credit as they played some very hard teams and played their hardest till the last second of the game," he said.

Junior Varsity finished with a 12-8 season record. Leadin players were Rochelle Whittington, Susan Fletcher, and Debbi Goodlett.

Girls' Freshman Basketball team posted a season record of 7- and finished second in district behind Marshall. Leading scores fo the freshman team were Tara Clay, Lisa Roberts and Sher Blackburn.

Against all odds

Champs repeat

Becoming the cardiac kids once more, the boys basketball team had some heart stopping victories in their guest for the district crown. They became the second team in Jay's history, to go undefeated with a perfect 12-0 district record.

Senior dominated team was lead by point guard Scott Ankrom on both the offensive and defensive ends of the floor. Senior Paul Rowland averaged 16 points a game. The rest of the starting line up consisted of guard Mike Bowers, forward Tony Stonewall, and forward Charlie Wittington. Although outstanding players they gained little recognition. Coming off the bench were senior Eddie Cardenas and junior Kevin Caldwell, who played excellent gam when they were needed.

At the beginning of the year the polls predicted them to pla fourth in district because of their lack of height. But what the po failed to see was the heart and determination of this undersiz team. Despite their lack of height they outplayed almost eve team. They also outshot and outran every district team they face Another disadvantage was to have a new coaching staff, but Coa Dave Stelmazewski proved the first year coaching theory wrong building a championship team.

The boys basketball team entered the bi-district play-offs w hopes of keeping their season alive. They were to face the 29-5 runner up Judson Rockets. Although they played a tough game th ended short as Judson won 68 to 54. For the boys it was their fi loss in a month. "We played a good game, but they played bette said senior Tony Stonewall.

Girls lose crown

Lady second

For the first time in five years the Lady Mustangs did not wear the district crown. They placed second in district behind former second place finisher Holmes and ended up fifth in regionals.

In track and field events, Jay qualified four individuals and one relay to the Regional Track Competitions at Gregory — Portland. Qualifiers were Terry Skinner, Sheila Butler, Tammy Thomas and Clarissa Davis who competed in the 400 meter relay. Skinner also competed in the triple jump, and Butler in the hurdles.

Only two regional qualifiers were able to place, and one qualified for state. Eileen Reina finished fourth in the 1600 meter run with a time of 5:30. Davis finished first in the high jump with a measure of 5'6 and competed in the state track meet in Austin were she placed third with a 5'9 jump.

"We had a fairly young team this year," said Coach Ross, "we are only losing a few seniors so things for next year look good," he said.

Coach praised

JV wins

As emotions ran high the young Mustangs stepped out onto the field for their last and final game of the year against the Holmes Huskies. The Huskies lead the district with a 4-0 record and trailing them were the Mustangs with a 3-0-1 record. The Mustangs went in the game knowing they had to beat Holmes in order to capture the district title.

As the game started both teams were faced with a tough defense, as the first and second innings were scoreless. The third inning raised hopes for the Mustangs as Kimani Livingston scored putting them ahead 1-0. In the fourth inning Holmes started a rally to lead 2-1, but the Mustangs weren't through yet as John Perez bunted the ba scoring Livingston to tie up the ball game 2-2. Score remained tie throughout the sixth inning, but in the seventh the Huskies faced tough Mustang defense, as they found it hard to score. Mustang then took control with Livingston up to bat first and flyed out to le field. Catcher Mark Juarez singled while teammate Freddy De L Garza flyed out. With two outs and one man on, Gilbert Huizer sing ed to left-center putting Juarez in scoring position. John Perrez the took ahold of his bat and with two strikes and two balls, he knocke a three-run homer to beat Holmes 5-2 and captured the district titl

"I really think we deserved it," said Livingston. "We really wor ed as a team," he said. "It took team work and a lot of effort to w us the championship," said John Perez. "And we couldn't ha done it without our coach," he said.

Lead team

As the 83-84 year came into a full swing so did the boys and girls tennis team.

As the season started off the experieced team entered six tournaments in which senior Sandy Espinoza sweeped four first place awards in the girls singles. On the other side of the court seniors Robert Lucas and Joh Verastaqui brought home three of the six trophies given the tournaments. In April the tennis team backhanded a the way to fourth place in the U.I.L. district tournament Del Rio. "I was very pleased with the performance of th team this year," replied Coach Nancy Moody. "I had a l of senior experience on the team which paid off in a lot the tournaments."

As for next year the team will be returning eight varsit members and only one varsity player on the girls team w be leaving. "We should have an experienced girls tenn team next year," said Coach Moody. "I'll miss the senio who are leaving, but next year's team looks promising."

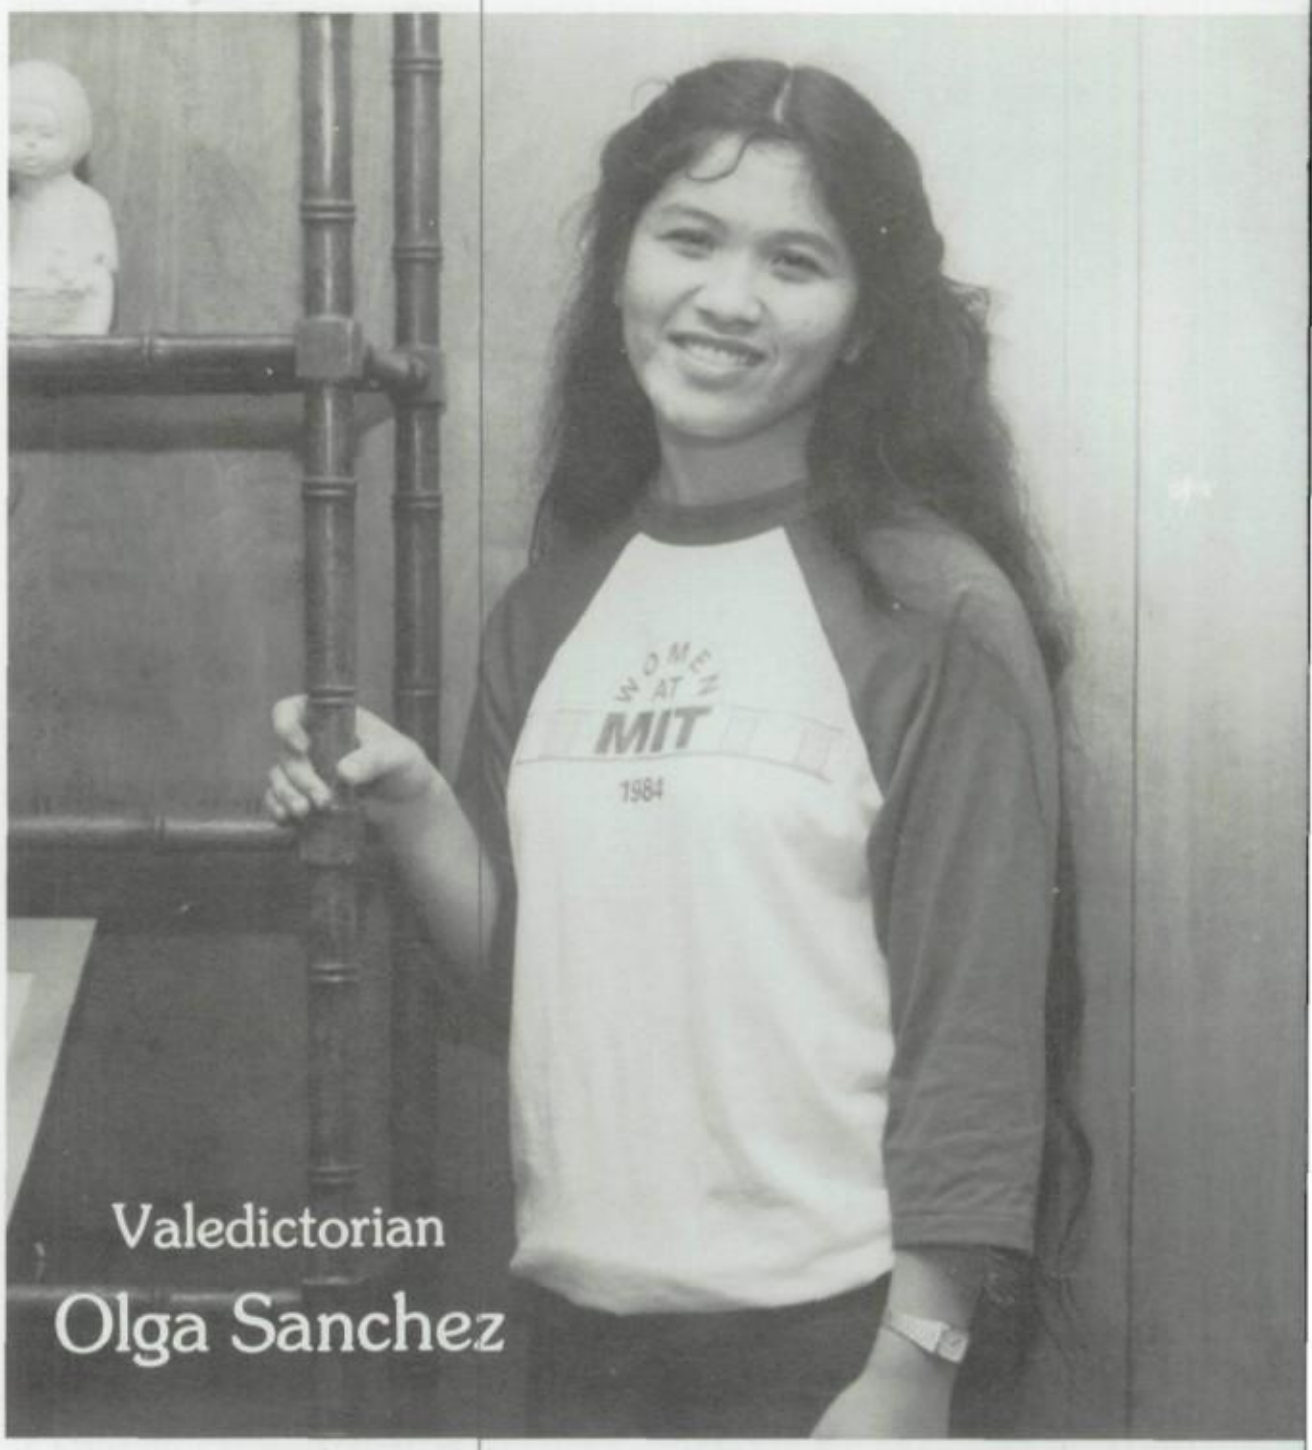
Sanchez intends to pursue her education at the Massachusetts Institute of Techology where she received several scholarships. As a many award winner she participated in the math teams, science teams, Mu Alpha Theta, NHS and the gifted and talented program.

"My advice to underclassmen is do your own thing and strive for the best," said Sanchez.



Valedictorian
Olga Sanchez

Robert Lucas

The thing I remember most of high school was band," said Salutatorian Shauna Lyn. "I made a lot of friends, met interesting people, saw interesting places in and out of Texas but especially I learned a lot about myself." Lyn received the John Jay PTSA Scholarship, Baumberger Endowment and the local chapter Phi Delta Kappa Schlarship and will further her studies at the University of Texas at Austin.

Following third was Robert Lucas. He will attend Texas Tech University. Lucas received an Air Force four year scholarship, Texas Tech Ex-students Scholarship, Northwest Optimist Club Scholarship and the Marvin Jones Dean's Scholarship from Texas Tech. Lucas credits his success to hard work, self discipline, competitiveness between classmates and has ambition to be successful.

"I credit my success to my parents, they were behind me 100%, they taught me the importance of responsibility and of fulfilling my obligations," said Keith Solbrig.

He was a member of NHS, DECA, Mu Alpha Theta, and the German Club. Solbrig received the John Jay PTSA Scholarship and the MDE San Antonio's Employers Associations Scholarship and intends to further education at Texas A&M.

Angela Zombro

Number five of the ten is Debra Keller. She was a vocational student and listed in Who's Who Among High School Students. She will further her education at Our Lady of the Lake and received a scholarship. When asked what she remembered the most she replied, "The people, I couldn't have made it without the support of my family, friends and teachers."

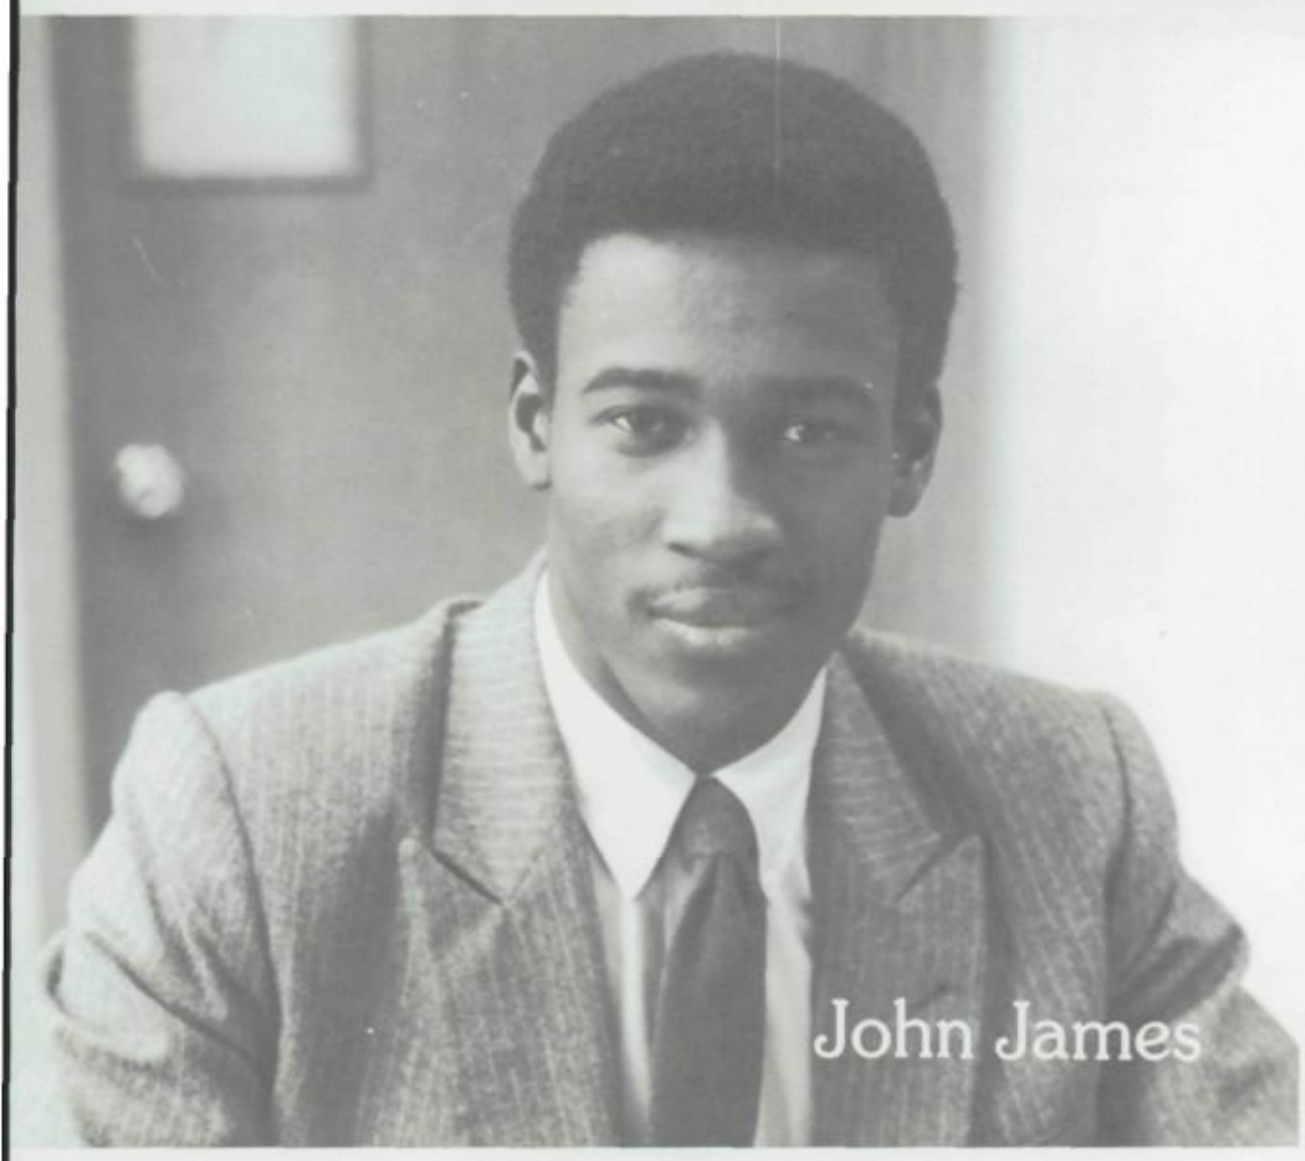
"My advice for underclassmen is to be sure to take all of the courses that will help prepare for their intended career," said Jack Kelly.

He intends to attend the University of Texas at Austin. Kelly was a member of the NHS, JETS, participated in the University Interscholastic League in Science. He also skated 115 miles f Muscular Dystrophy. When asked what he will remember most high school he replied, "Going to football games with friends a having fun on weekends."

Following Kelly was Angela Zombro who plans to attend Trin where she is receiving the Presidential Scholarship. Zombro pa ticipated in the Science Club, Social Science Club, Spanish Club, N Alpha Theta, NHS, Band, PTSA, and Student Council. Her advi to underclassmen, "Get involved in school activities and take hi school seriously, your senior year is too late."

Lillian Gutierrez

John Hanley



John James

"I credit all my success to my mother. She has been behind me the whole four years," said Lillian Gutierrez.

As a Presidential scholarship winner, Gutierrez, who will attend St. Mary's University, was a member of the Spanish Club, JETS, French Club, UIL Math and Science Teams, MAO, NHS and a member of Catholic Youth Organization at her church.

Following Gutierrez was John Hanley, who says the thing he remembers most in high school was "The fun I had with my friends and winning second at the 1982 Water Polo Championships."

Hanley received the Baumberger Endowment. To underclassmen he advises, "Concentrate more on school rather than more fun and don't goof off during your junior and senior years. They are the most important."

"Make your years last because before you know it they will be gone. These are the best of times," said John James.

James will further his education at St. Mary's University. He was a member of MAO, French Club, NHS, Latin Club, Spiriteers.

Visit kept alive

Although the emphasis on instructional time being lost the honor government classes kept the tradition of visiting the Bexar County Courthouse. The visit was made to make students aware of different Court Procedures and exactly how a court session was run. Students were allowed to act out a court session with Judge Ian Lyn preciding. Other to this students toured the courthouse with Judge Rickhoff and Patreck Garza as guest speakers.

"It helped me to establish a clearer perspective of the occurrences in the judicial branch of our government."

Fair Alters Time

A new tradition was brought to the history wing. Teachers and students put on a history fair. Students thought of a history related subject and then researched the ideas. After the background work was done students then worked on the report itself and ally the visual project work. The purpose of the fair was as for the science fair to make ople aware of things that happened in history.

"I found the history fair very interesting and very educational. This should be kept roughout the years," said sophomore Susan Masters.

Program relives past

Black History Day has become a tradition for history students. It gives a chance to see what the black culture went through. They performed skits describing anywhere from attending mass and praising the Lord to the results if a black person was sitting in the front of the bus when a white person came on the bus. The performance was put on by students themselves and history classes were allowed a break in order to view all the presentations.

Students Win Awards

The Drafting department instructed by Mr. Jerry Girard was split up into three different courses. First step in receiving experience for architectural work was General Drafting. In this course beginners dealt with free hand sketching of houses, geometric shapes such as angles to line up walls with floors. Students also learned how to design a picture view of a house to fit their plans, they also studied how to make elevations and basic house plans.

In a student's second year they enrolled in Architectural Drafting I. In this course students sketched more elaborate residential plans following city codes. The students developed complete floor plans not only the external but internal design as well.

If a student wanted to get into Architecture after graduation, they would proceed to Architectural Drafting II. In this course about five students went into a very detailed plans of offices, shopping centers and malls. Their instruction also entailed the use of algebra and trigonometry to be sure every detail of their plan was complete. At the end of the year, some of the students made models of their plans.

Mr. Girard's Drafting and Architectural classes participated in the Alamo Area Industrial Arts Competition at St. Phillips College. Approximately 15 students participated bringing home 17 awards. Winning first place awards were Jimmy Stallings, scale model; Steve Allen, architectural drawings; Steve Bradley, written exam; ar Daniel Guerrero, mechanical drawing. Wi ning second place awards were Allen ar Dan Kammerzell, architectural drawing David Wright, written exam; and Rolar Garcia, mechanical drawing. Winning thi place awards were Allen and Kammerze architectural drawings; Keith Collins, spe drawing; Robert Merenden, written exar Richard LaVan and Armando Busto mechanical drawings.

Courses teach students skills

DECA, HOSA and OEA are three groups which offers students a variety of choices and chances. Courses ght students the basic job skills and on job training in marketing, medicine, and ice skills. Student must have taken a total two years of the course.

DECA consisted of training basic business ms and also how to get along with nagers, co-workers and customers. pics taught dealt with free enterprise and vertisting. DECA sponsored a city wide nquet for students and their store nagers in appreciation for the experience d training the students received at their place of employment. DECA also sponsored a ten kilometer Spina Bifida Run-a-thon in memory of Bill McEvers, a 1983 graduate, who was a state member of DECA. The run had 400 runners and profited $2800.

HOSA was an introduction to health science careers, such as a dentist, doctor, or a nurse. Students were instructed by practical work experience such as changing a patient's bed sheets with them still in the bed. Like DECA, HOSA offered OJT at local offices such as Marbach Animal Hospital, Bandera Hospital, Four Season Nursing Home, St. Lukes Hospital, and the Easter Seal Program.

"Academic views of students seems to be different now. Their knowledge of what they learned, usage of knowledge shows more than ever before," said HOSA instructed Virginia Spikes. OEA offered training in office skills such as filing, record keeping, duplicating and the use of various office machines. OEA also did a lot of fundraising went to different activities, such as the Christmas party, the employer-employee banquet and a end of the year picnic.

"OEA keeps us busy for raising money for our banquets and activities," said Mrs. Pat Spoonmore.

Tessmer to Nationals

Vocational program consisted about one fourth of the student body and trained students for future careers. Classes usually lasted anywhere between two to three hours and some required fifteen hours of on the job training. Credits earned in the program applied towards high school graduation, entrance requirements to college or allowed students to continue a successful job straight out of school.

Classes varied from welding to homemaking to auto mechanics. From these classes students competed at various contests against other high school students. Winning area awards were Juliette Fairley, DECA apparel; Emer Bock, DECA apparel; Mario Cervantes, DECA general marketing; Cawn Scott, word processing information; Diane Garza, word processing; and Joan Quates VOE lab manual. VOCCT winners were Simona Vecuna, camera; Patty Aranda, public speaking; Veronica Ramirez, job interviewing; and Janice Lenzy, chapter bulletin board.

Winning state awards were in Printing — Stacey Vetter, technical information; Robert Leighton. Stacey Vetter, technical information; Robert Leighton. notebook division. Approximately 2660 students attended Jay with 900 freshmen, 618 sophomores, 613 juniors, and 529 seniors. These students were only part of a class such as English or math but by doing their own activities they became an individual.

Students could have easily lost themselves and became one of the numbers but once that final bell rang students did one of several things. Some would stay at school for afternoon practices, some would involve themselves in club or class activities, others would go off to work at a part time job while others would go home to relax.

Following the tradition of success of former students, present students were acclaimed for their endeavors. Scott Ankrom gained recognition as an All-City running back, Clarissa Davis became one of the top third juniors in the country with volleyball. She was also an All-City Spiker. In music Richard Olmo qualified to perform in the All State Band. Pam Garza was named Cheerleader of the Year. Jay also had four Optimist Award Winners including Joe Perez for Community Service, Donald Murphy for Youth in Traditional Art, Olga Sanchez for Mathematics, and Eric Thompson for music.

Teachers didn't stay far behind, English teacher Carol Siskovic was named KKYX Teacher of the Day. Teachers participated in an all teacher choir for the Christmas Choral Department Concert. After losing Gary Haass as vice principal, John DuBose acquired the position of second in command and Serling Christy moved from biology lab to the new assistant principal.

Teachers and students as individuals followed the Jay traditions and made their own marks at their Alma Mater.

Nine seniors join NHS

Being a senior National Honor Society member meant having to keep your grades up in order to collect the last credits for graduation and wear that collar at commencement. But being in NHS meant working extra hard. Seniors had to keep an 87.5 average and participate in community activities.

Members helped a needy family at Thanksgiving with a food basket. Bake sales after school were held to raise funds for this project.

In 1984 nine new seniors were inducted into National Honor Society. They included John Briones, Mimi Mickan, Debbie Styers, Lilian Gutierrez, Sylvia Mendoza, Jeff Davenport, Kathy Strus, Marilyn Gripper and Ray Kesler.

Officers were John James, president; Eddie Cardenas and Mike DeFrees were vice presidents; Shauna Lyn, secretary and Olga Sanchez, treasurer. Sponsors were Mrs. Nelda Andrewartha and Mrs. Lurlene Adams.

For all their hard work, NHS seniors are rewarded by being able to wear their white collars at graduation and stand out from all the rest.

'How much are prom tickets'

'Being an officer is hard work, and if things don't go as planned, you're the first to be blamed" ays president Roland Gutierrez.

Roland also added with a smile, that being an officer is lot of fun and very interesting because of the people ou meet.

The officers organized fund raisers and attended to roblems of the class. The officers met every Thursday orning at 7:15 a.m., to plan for the prom.

"Are the tickets going to be $96?" and "What band re we going to have?" were just two examples of ques- ons that the officers had to answer.

It was embarrassing when an officer didn't know the nswer to one of these questions. Historian Jenny Martinez said, "Sometimes I didn't know the right answer and I would get pretty embarrassed. I would feel that the person asking the question was thinking "Did I actually vote for this person?"

Officers appreciated help and support that they received from the faculty. Helping out with class activities was sponsor Mr. Lynn Britton.

The officers couldn't have gotten along without the help of some very special teachers. Ms. Margaret Buentello, Mrs. Debra Johnson and Mrs. Pam Hummel helped out with activities such as the Senior Fashion Show, Senior Brunch, Senior Trip, and the selection of class favorites.

Being a math magician comes quite easy for junior Phu Tran. It all began when he first came to the United States in the third grade. Since Phu did not know any English, math became his favorite subject. He says that numbers are an alphabet in which the whole world could learn to understand and "I seem to understand it better than others."

When he was in elementary school he won his first award in math. As the years went on, his awards multiplied and not only in math but also in science, history, physical education and even in English.

When he entered high school here his success continued by winning awards in Algebra I, II, geometry, novice number sense, veteran number sense, veteran calculator, novice number sense, UIL calculator and UIL number sense and math reasoning.

Phu has competed in more than 60 contests and will compete again next year. He says he likes competing because he can compare his intelligence with other people his age.

***Phu Tran has* won over 50 awards consisting of certificates, plaques, trophys and ribbons.**

Being a freshmen isn't always as it seems to be. Many freshmen seem to think that its always on the lower level. But to Tara Clay it was not at all like that. Being sports inclined Tara played three out five sports a girl could possibly play. Along with sports Tara also was in B Band and played the flute. She was on the Varsity basketball team for the last four games. That made Tata feel like she wasn't on the bottom anymore.

Music his bag

To play the piano takes lots of concentration, this is one thing Eric Thompson has a lot of. Eric has played the piano for five and half years. Along with the piano, Eric also plays the Bass Clarinet in A-Band. After high school he plans to attend college in New York to major in music.
